

Bio

LI Kuei-Pi (b.1991) born in Tainan, Taiwan. She got her M.F.A degree from Taipei National University of the Arts in 2017 and currently lives and works in Taipei. Her work focus on the neglected landscapes and exchange network under the globalization for a long time. Through fieldwork methods from different disciplines, archival reading, and reenachment of history, she uses images, objects, and writing as the main form of art projects. She thinks art projects creative a platform of exchange idea and inspiring discussion.
